

Tony Tyson, CPAC Coordinator

Tony Tyson is the Child Care Planning & Advisory Council (CPAC) Coordinator, which is housed at the San Francisco Office of Early Care and Education (OECE). Tony received a Bachelor's Degree in Education from Bowling Green State University in 2000 and immediately began facilitating environmental and experiential education programs for low-income urban youth. This experience sparked his passion for improving the lives of children, youth and families and led to a 16+ year career providing leadership at a variety of children and youth serving non-profit organizations.

Tony relocated to San Francisco in 2008 and joined the leadership team at Telegraph Hill Neighborhood Center (TEL HI). While there, Tony provided the leadership for all child and youth development programs birth-12 years old. His biggest accomplishment at TEL HI was improved program quality and increased funding; allowing the team to serve twice as many low-income children who did not have access to high quality early childhood education programs. Tony is passionate in the identification of unmet needs of the community and works diligently to change policies and secure the resources necessary to address the needs of the children and families of San Francisco.
